Remarks

5.06+/- AC tract in the Gated Mountain Community of Saddle Ridge -- Just a stones throw from Blackberry Mountain. This lot has 2 possible building sites the upper section of the lot has been soil mapped and approved for a 3 BD home. This site would have great mountain view and as the land below is part of this tract you would have control of tree removal for ultimate view. Lower section of the lot also has a flat building site. This would be totally wooded view. The choice of building site would be up to you. Call today for a personal tour of this land.
